

Summer 2019	Flushing Church of England Primary School is a welcoming, safe and caring environment within the heart of the community. We work together in a spirit of equality, trust and friendship. In our small school there is time for the individual. We offer a broad and balanced education, nurturing our children's skills to prepare them for the future. All achievements are celebrated and valued in the belief that Every Child Matters to God whatever their faith or creed.
